REQUEST FOR FUNDS TO TEACH ITALIAN GUIDELINES & INSTRUCTIONS

In 1995, Centro Attività Scolastiche Italiane (C.A.S.IT., Inc.), as proposed by the Italian Consulate General in Boston, was formed as a non-profit educational and professional organization, for the promotion of Italian language and culture in the public and private schools (grades K-12) of New England. Our Mission is to assist communities that wish to introduce, preserve, rejuvenate or broaden the study of the Italian language in their schools. CASIT offers grants of varying amounts for the establishment of Italian language and cultural programs with the ultimate purpose to institute Italian as a subject in the school curriculum.

The Italian Ministry of Foreign affairs, through the Consulate General of Italy of Boston, provides partial incentive funds for Italian Instruction in New England elementary, middle and high schools. CASIT, an "ente gestore" (managing entity) for the Italian Ministry, receives and administers the grants and funds.

If your school/district is interested in starting or continuing an Italian program, please provide the following documents:

- Letter of interest, signed by your Superintendent of Schools
- Completed Grant Request Form
- School profile and district data
- Community Interest in world language instruction
- Experience with world language instruction in the district
- Italian language—program proposal
- Availability of certified teachers; Evidence of Support for Program
- Support (local board, curricular, technological, etc.)

Please mail the above documents to:

**C.A.S.IT., Inc.
