

The Patrons of the Italian Language program was established to encourage the financial support of Italian language and culture instruction in schools (K-12) and universities. Administered by C.A.S.IT., Inc., a non-profit education and professional organization aimed at promoting Italian language and culture in public and private schools of New England; our goal is to inspire the language, passion, innovation, fashion and food of Italy...by bringing the best of Italy into our schools and universities and by exposing students to all things Italian. Help us enhance and expand Italian language and culture instruction by becoming a Patron of the Italian language! Contributions to the Patrons of the Italian Language are fully tax deductible.
